Description:

Describes how to draw things such as faces, feathers, and animals in motion; how to use media such as brush and ink, watercolor, and pastels; and techniques such as shading and perspective.

Oh my gosh, this is just the kind of book I was hoping for. Its so informative and gives great ideas with many different kind of drawing mediums from pencil/charcoal to water colors and oil pastels. They provide excellent step by step techniques for drawing people, cartoons, animals, and different finishing effects. They also provide great project ideas to apply the newly taught method. Well organized, colorful and useful to every age out there. Sturdy cover, thick pages - superb quality book.
